

## Astral At Dizengoff 2018/2019

### Opportunity

On Thursday, November 29, Astral kicks off its 2018/2019 *Astral At Dizengoff* series, with live, world-class classical music in the culinary setting of Philadelphia's celebrated Dizengoff hummusiya. Astral successfully piloted this series during the 2016/2017 season. After two seasons, we are looking forward to experimenting a little in an attempt to reach new audiences. We believe that these concerts are valuable not only for our musicians, but for the classical world in Philadelphia.

This season's performances include:

Eric Huckins, horn & Rachel Lee Hall, harp

Nikki & Timothy Chooi, violins
